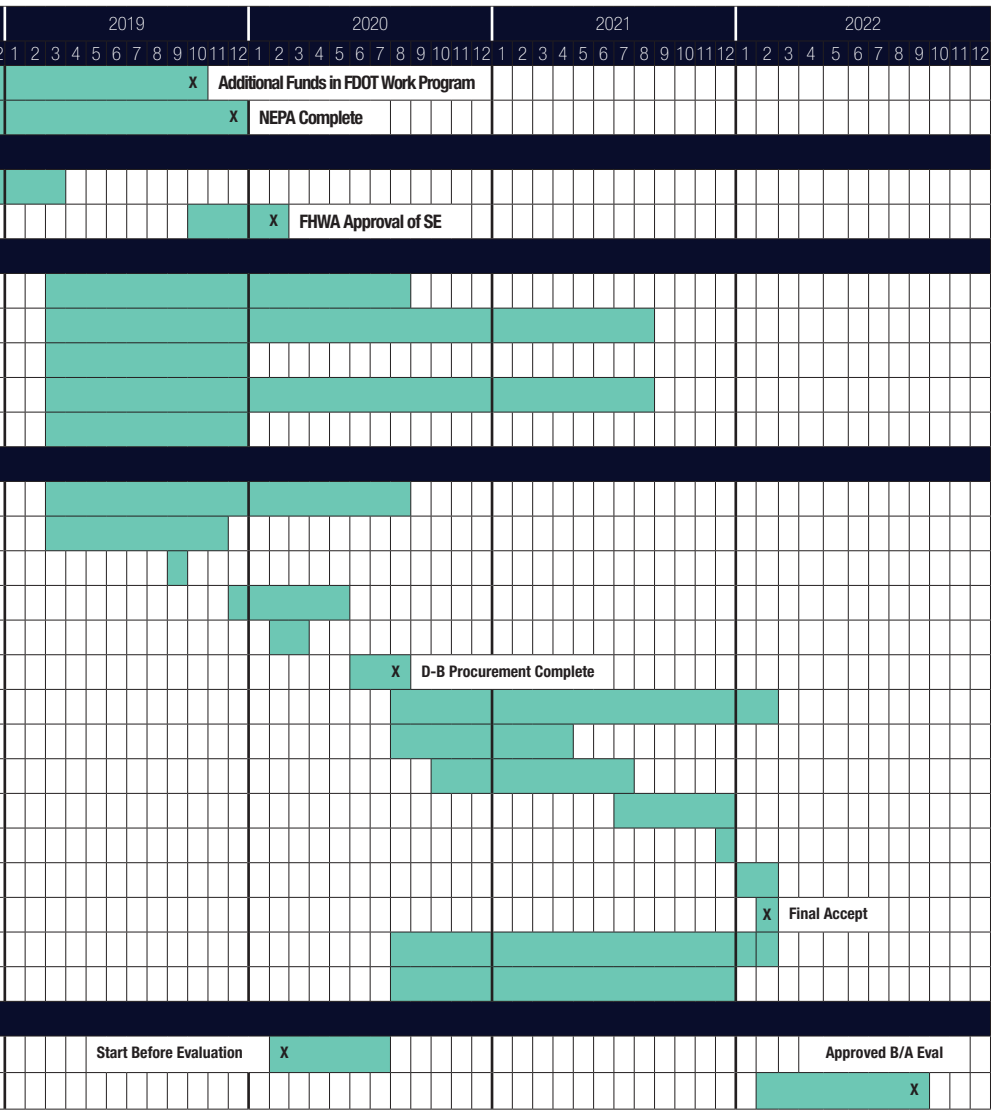
PROJECT ACTIVITY	Start	Finish
FDOT Work Program Approval for Add'l Funds	12/18	10/19
NEPA Process	12/18	12/19
SYSTEMS ENGINEERING		
Systems Engineering and Project Concept	9/18	3/19
FHWA Review of SE Documents	10/19	2/20
PROJECT ACTIVITIES - EXISTING CONTRACTS		
Issue work orders (FY based funds)	3/19	8/20
Construction Oversight - CEI Consultant	3/19	8/21
Design - Push Button Design Consultant	3/19	12/19
Construction - Push Button Const'n Contractor*	3/19	8/21
PS&E Approvals - TSM&O Consultant Support	3/19	12/19
PROJECT ACTIVITIES - DESIGN-BUILD SERVICES		
Procurement of Design Build	3/19	8/20
RFP Development	3/19	11/19
Industry Forum	9/19	9/19
Advertisement and Selection Process	12/19	5/20
Technology Demonstration	2/20	3/20
Final Selection and Notice to Proceed	6/20	8/20
Design-Build Activities	8/20	2/22
CV Application Development	8/20	4/21
RSU and OBU Deployment	10/20	7/21
Testing and Integration	7/21	12/21
Training	12/21	12/21
System Launch/Acceptance Period	1/22	2/22
FDOT Final Acceptance	2/22	2/22
FDOT Construction Oversight	8/20	2/22
FDOT Approvals (Plans, Specs, Test/Training)	8/20	12/21
BEFORE AND AFTER PROJECT EVALUATION		
Before Project Period	2/20	7/20
After Project Period	2/22	9/22



X - Indicates Milestone

* Assumption - FDOT programmed FY 22/23 push button contract funding would be advanced if INFRA grant is awarded.

*Construction of project elements will be sequenced so that there is no conflict amongst contractors. FDOT has full control since push button contracts are being used.
